

Critical Information Summary

NBN Fibre

Information about the Service

The Adam Internet NBN Fibre service is a broadband Internet service which uses the NBN Optical Fibre Access Network to deliver Internet connectivity at the Network Boundary Point at your Premises.

Requirements & Availability

The NBN Fibre service is only available within an NBN fibre service area. Unless your premises is already connected, you will need to be connected to the NBN Optical Fibre Access Network. Standard installations are done without charge to you. Non-standard installations may require you to pay charges.

You will require an NBN ready router if you wish to connect multiple devices at once to your NBN Fibre services. If you don't already have one, Adam Internet can sell you a suitable device at an additional cost.

NBN Fibre availability can be checked using the online coverage checker at <http://www.adam.com.au/internet/broadband/nbn/coverage/>

Minimum Term

Adam Internet NBN Fibre plans are available on a 24 month agreement which gives you access to discounted hardware.

- The Total Minimum Price on a 24 Month Contract is 24 months of plan rental.

Setup Fee

- There is no set-up fee or installation charges to sign up to a standard Adam Internet NBN Fibre service. Any cabling that is required in your premises beyond the Network Boundary Point is your cost and responsibility.

Excess Usage

Both uploads and downloads count towards your monthly included data. There are no automatic excess usage charges on Residential NBN Fibre services – instead, traffic beyond the included data quota will be shaped to 256 kbps/256kps.

- You may purchase Data Packs at an additional cost for a data quota top up, if required.
- Information on Data Pack pricing is available at www.adam.com.au/nbn/fibre/plans

Early Termination Charge

Contract options are available on a 24-month term. Cancelling your NBN Fibre Service will also result in a cancellation of any other Adam Internet products you've purchased that are only available when bundled with Adam Internet NBN Fibre. Should those products have their own contract, you will be liable for their associated break fees.

If you end your contract early, the following Adam Internet NBN Fibre break fees apply. These fees cover the costs reasonably incurred by Adam Internet when the contract commenced.

Tenure	Break Fees
0-6 months	\$200
7-12 months	\$150
13-18 months	\$100
19-24 months	\$80
